This is to certify that Sanyam Chugh has worked with Zomato Feeding India as a volunteer from July 1, 2019 to December 31, 2019.

While volunteering with Zomato Feeding India, Sanyam played a fundamental role as a Manager in the Talent Management Team where he was responsible for working on volunteer lifecycle model. He also managed the Application-Response cycle to ensure timely induction for new volunteers. Due to his dedication, he was selected as the Department Head for Global Expansions on September 1, 2019 where he helped in setting up chapters in 3 countries and managed training of all Hunger Heroes across 13 countries where we were operational. Sanyam was also instrumental in leading campaigns during NDMC event, Zomato's 11th birthday and many more.

We thank Sanyam for his active contribution towards Zomato Feeding India's mission of creating and implementing meaningful interventions as solutions for some of the challenges leading to hunger and food wastage in India.
