Letter of Recommendation

April 5, 2017

To whomsoever it may concern :

It is with great pleasure that I write this recommendation letter for **Sanyam Chugh**. I have been Sanyam's mentor for the past 2 months during his internship as an **Uber Brand Ambassador** in our organization.

Sanyam has been an absolute joy to work with. He is very pleasant and courteous. Sanyam demonstrates the character and qualities that you look forward to in an employee. He is very punctual and finishes tasks without constant supervision. He has shown excellence in his marketing knowledge and skills. **One special thing that Sanyam beats everyone in, is his discipline.** He inspired the whole team with his skillsets and kept the momentum going with his immense supply of positivity and energy.

We have greatly appreciated his hard work and professionalism and look forward to continuing our relationship with him.
